

DecraSound™

Carved Feature Acoustic Panel

Transform more than just acoustics with our Decrasound carved feature acoustic panels. These panels go beyond traditional uses, providing a base for creative and aesthetic designs. With their elegant carved design, they unlock endless possibilities in decoration and functionality. Ideal for wall coverings, cabinetry, furniture, and more, these panels are a versatile choice for any setting. Discover the potential to beautify and make your space quieter.

CARVED FEATURED ACOUSTIC PANEL
HOLLOW-OUT ACOUSTIC PANEL

DECRASOUND Hollow-out acoustic panels allow the designer to develop their style with the latest technological innovations. These panels enhance the aesthetic appeal of any space and create a modern feel. Hollow-cut acoustic panels also create privacy in open areas as screens between work areas. They are perfect for workplaces that value style, creativity, and function.
